

Reflective Shopping bag

Our Reflective Shopping Bag is the perfect blend of functionality, style, and safety. Designed for everyday use, it features a durable polyester build, a spacious interior and a highly visible reflective strip for increased visibility in low-light conditions.

Whether you're walking, biking, or shopping after dark, this bag makes sure you're seen. Reinforced handles provide comfort, while bold color options make it stand out. Ideal for retail, corporate gifts, or municipal safety programs.
